Service as first class mail in an envelope
addressed to: Assistant Commissioner for Patents,
Washington, D.C. 20231, on *10/22/03*
Alexandria, VA 22304

Dear Sir:

This is responsive to the Office Action dated April 25, 2003 in the above-referenced application.

Please amend the claims as follows:

1. (Amended) A system comprising:

a portable, wireless voice and data communications device having a memory and a transmitter, wherein said memory has data indicative of monetary units stored therein; and

a point of sale terminal at which sales are made, wherein data indicative of a selected amount of monetary units associated with a sale are transmitted from said memory to said point of sale terminal or an associated processor to make said sale.

2. (Amended) A system comprising:

a processor located in a wireless communications device;

a transmitter connected to said processor for transmitting wireless communication
